

K&J 4-H Dairy Scholarship

4-H involvement leads young people to explore various career and educational options after graduating high school. For those who choose to further their education the K&J 4-H Dairy scholarship was created to help support these 4-H'ers' educational goals by offering two (2) \$500 one time awards to graduating seniors or former graduates currently enrolled in a two or four year university or college.

All applications are reviewed on a competitive basis. Scholarship award winners are selected on the basis of the following criteria and will receive the award at the State 4-H Dairy Show Award Banquet in Kissimmee, FL on February 13, 2011:

- Current or former 4-H Dairy involvement at county, regional, state and national levels.
