HIRE GATOR INTERNS!

The UF Innovation Station Sarasota County links local companies with all levels of highly qualified Gator engineers in a variety of disciplines.

Why Gator Engineers?

➢ Access to outstanding students
  ▪ UF ranked No. 8 for Best Public Universities, U.S. News & World Report, 2019
  ▪ Ninety-six percent of undergraduate students have GPA’s greater than 3.0

➢ 16 degree programs with more than 8000 undergraduate and 2000 graduate and post-graduate students

➢ Gator Engineering founded on a rigorous academic base: focuses on technical and soft skills, including research, ethics, productivity, innovation and leadership

UFIS By the Numbers

104 interns placed with local companies since 2015

41 interns placed with 28 companies in 2019

UF is creating a rich and diverse environment with a renaissance approach to engineering education
